Subject: SM Confirmation NODLP

***** Please do not respond directly to this e-mail. The originating e-mail account is not monitored. *****

The 1pm calc is still running so the 4 pm spot upload and calc has been cancelled. However, as a result of the ongoing issues, the confirmation for semi-monthly and monthly payrolls originally scheduled for tomorrow at noon has been postponed to Monday, 11/28, at noon. We will run a spot upload and calc tomorrow morning at 9 am and the final spot upload and calc will be run at noon.

Thank you for your patience.
